

Best songs for your wedding slideshow

Getting married is one of the most important things in everyone's life. whether you want to share on a wedding party, enjoy in future with your kids, or want to keep in memory, a wedding slideshow is a good option. A good song can also help make the slideshow vivid. So here I want to share with you some of the best wedding songs.

[Slideshow DVD Creator](#) can help you create a professional slideshow just within minutes. Just drag & drop the songs into the slideshow, you can add them as background music. Of course, you can add more than one song. And the most fabulous thing is that you can use the software to set play time for each photos. So it is useful if you want to emphasize one or some photos of the slideshow.

You can download the software for free from the button below:
